

Med Lien Solutions Announces Acquisition of Med Max USA

The merger has created a unified medical and subrogation services solution available to everyone in the legal, medical, and insurance industries, reports [gomassive.com](#).

Detroit, MI - October 10, 2018 /MarketersMedia/ — Med Lien Solutions announced today the acquisition of Med Max USA, a nationwide provider of settlement services, creating a unified medical and subrogation services solution available to everyone in the legal, medical, and insurance industries. The company will operate under the new name [MASSIVE: Medical and Subrogation Specialists](#).

*"Our [Medicare Lien Resolution](#) and [Medical Cost Projection](#) Teams have worked tirelessly to prepare for this acquisition and we are excited to share the news of our continual growth," said **Todd Franklin**, Chief Executive Officer. "MASSIVE is committed to providing the same exceptional results and dedicated focus to this underserved market."*

Since 2009, Med Lien Solutions has provided solutions for both large-scale and individual [ERISA lien resolution](#). Med Max USA has provided Medical Cost Projections, Non-Medicare Cost Projections, and Medicare Set-Asides. Now combined as one nationwide company, MASSIVE will offer clients the benefit of full service, streamlined solutions for all their medical and subrogation needs with more time and cost efficiency than ever before.

*"Combining our collective assets with the creation of MASSIVE allows us to bring consistency to the Medicare and subrogation process," said **Ryan Weiner**, Chief Operating Officer.*

Continued **Randy Nordstrom**, Chief Business Officer, *"Our company has always been focused on putting our clients' needs first. With this merger, we will acquire platforms and technological advances that enable us to help our clients even more."*

The timing of the announcement also coincides with the launch of MASSIVE's new website. The new site not only provides visitors with a full explanation of MASSIVE's services, but it also provides clients with intake forms and educational resources to help ensure a smooth, well-informed process from start to finish.

For more information about MASSIVE and to discover how this acquisition will allow the company to provide clients with a comprehensive suite of much-needed solutions for ERISA, Medicare, and [Mass Tort lien resolution](#), visit gomassive.com.

About MASSIVE: Medical and Subrogation Specialists:

MASSIVE is a nationwide provider of healthcare lien resolution services and cost projection services including Medicare set-asides.

MASSIVE offers more than lien resolution, reductions, and cost projections in a timely manner – they deliver results. They're here to help, whether they are reducing liens to put more money in plaintiffs' pockets, or producing Medical Cost Projections to establish values for settlement negotiation. Developed with attorneys who understand what's involved with day-to-day workplace challenges, they communicate with their clients based upon the principles of competence, confidence, and understanding.
