MEDICAL AND SUBROGATION SPECIALISTS

MASSIVE is a nationwide provider of Future Medical Allocations and subrogation services. We are an expert team of attorneys and analysts dedicated to saving our clients time and money, using proprietary technology, expertise, and personalized service to deliver MASSIVE results.

## LIEN RESOLUTION

### Single Event

- ◆ From intake to settlement, our streamlined process is designed to reduce liens faster with Medicare, Medicaid, Private Insurance & more. Your clients receive their disbursements sooner.

### Mass Tort

- ◆ Proven expertise in negotiating and resolving tens of thousands of cases, including medical devices, drugs, products, and toxic torts.

## FUTURE MEDICAL ALLOCATIONS

### Medicare Set-Aside (MSA)

- ◆ We, from a plaintiff's perspective, use the combined expertise of nurses and lawyers to determine accurate MSA amounts to help leverage better outcomes and ensure Medicare compliance.

### Medical Cost Projections

- ◆ Medicare and Non-Medicare. Maximize settlement values by presenting organized damages to the adverse, thus protecting your clients from future liability.

### Life Care Plans (LCP)

- ◆ Our Life Care Plans project catastrophically-injured clients' needs and all associated costs. All reporting is supported by expert testimony.
